

Camp Cadet is a police-oriented summer camp for youth ages 12 through 15 from Berks, Lebanon, and Schuylkill Counties.

Why police-oriented?

The purpose of the camp is to provide youth with a positive growth experience within the framework of a “mini” police academy structure. The Camp Cadet philosophy is embodied in the motto: Growth Through Discipline – Achievement Through Teamwork – Pride Through Respect.

Camp Cadet stresses instruction in law enforcement topics, safety, and physical training. Other activities include fishing, swimming, marksmanship, horseback riding and softball.

All camp activities are supervised by a counseling staff to State Police and local police officers. Counselors reside at the camp with the cadets.

How are Cadets selected?

Every effort is made to accommodate all interested applicants who have not previously attended the camp. If applicants number more than the available camp spaces, a random drawing of applicants will be conducted on a county population basis. Requirements for attendance at the Camp Cadet Program include residency in Berks, Lebanon, and Schuylkill Counties and a desire on the part of the candidate to complete the camp.

What does Camp Cadet cost?

Camp Cadet has a \$125 non-refundable registration fee, payable when accepted for camp.

What is Camp Cadet Like?

Each day begins with reveille and ends with retreat formation. Cadets awaken early and prepare their quarters for inspection.

Cadets participate in morning physical training and march in platoon formations to their classes and activities under the watchful eyes of police instructors.
